

ECF(Elite Carbon Fiber Black)

ECF(Elite Carbon Fiber Black) redefines the carbon fiber aesthetic with unmatched gloss. ClearPro ECF is engineered for durability, featuring Polyoptico™ coating with advanced self-healing technology for minor imperfections. The 101° hydrophobic surface repels water and contaminants effectively. The Pinnacle of Gloss and Resilience.

H-Elite Series

CATEGORY	VALUE	CATEGORY	VALUE
Top Coating	Polyoptico™	Film Thickness	8 mil
Healing Performance	Self-Healing	Hydrophobic Angle	101°
Elongation at Break (ASTMD-882)	320%	Tensile Strength (ASTMD-882)	28 MPa
Tear Strength (ASTMD-882)	82 kN/m	Initial Peel Adhesion (ASTMD-882)	21 N/in
Aging Resistance (UV Test:6000H)	Pass	Chemical Resistance (Acid Test)	Pass
Impact Test (SAE J400)	Pass	Warranty	10 Years
Easy Installtion	★★★★★	Stain Resistance	★★★★★
